# WICKEN PARISH COUNCIL

## Retention and Disposal of Documents and Records

This policy outlines the minimum time documents held by Wicken Parish Council (WPC) must be retained before disposal in order to comply with the Freedom of Information Act 2000. If the time before disposal is not fixed, WPC will review ongoing retention of those documents when the minimum time has passed.

### Purpose

WPC needs a variety of documents to effectively represent the people of Wicken and to meet its statutory responsibilities. This policy will enable WPC to ensure documents are held safely and securely, protect sensitive information, facilitate the destruction of documents no longer required and ensure compliance with the relevant legislation. Following the retention periods below will also prevent concerns that any document was destroyed in anticipation of a problem.

### Scope

This policy applies to all records held by WPC, regardless of source and both paper and electronic. It covers the actions of both Councillors and Clerk.

### Method

Documents currently held by WPC will be audited against this policy and any documents deemed to be held inappropriately will be destroyed.

The Clerk will be responsible for implementing this policy and WPC will review it every two years to monitor its effectiveness.

It will be amended in line with changes in legislation where appropriate.
